

BARRATT
HOMES

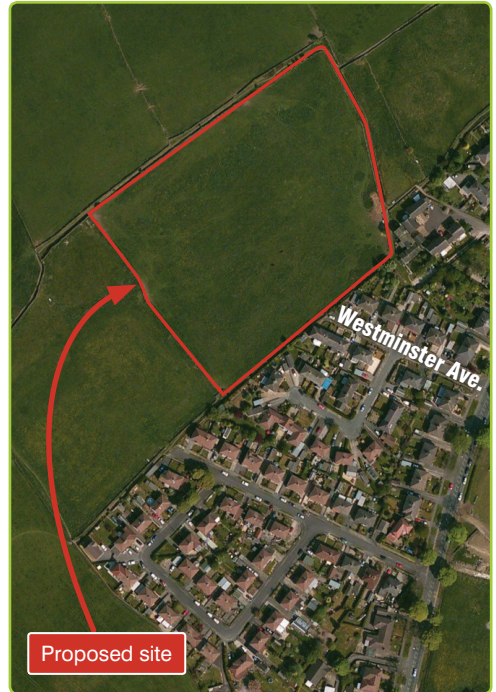

Public Consultation

Barratt Homes is proposing to submit a planning application to Bradford Council in the near future for around 95 new homes on land off Westminster Avenue in Clayton. The proposed site is not in the Green Belt. It has been allocated as safeguarded land for future development.

We would like to invite you to attend our public consultation so that we can tell you more about the proposal, answer any queries you may have and seek your views.

You can drop in at any time between 3.30pm and 7.00pm. We are usually busiest at the start so please come later if you are able to.
