- **Defibrillator**

  Following talks with a Matron at the BRI Cllr Cunningham informed the committee that due to the proximity of Clayton to the ambulance station response times would be very quick and as such the need may not be that high. Cllr Thirkill agreed to talk to the ambulance services to see if they could any further information.

- **Dementia Friendly Clayton**

  Cllr Gudgeon took the committee through what is involved for the 'Dementia Friendly' status to be awarded. On further investigation is became apparent that this would be a significant undertaking for the council. The process involved was far more detailed than the committee felt that Parish Council could currently deliver. Cllr Thirkill is to speak with Mayfield Medical Centre and Cllr Hepton, Cowgill to see if they had any more information. The council all agreed that the village whilst it may not be awarded this status it was very much a helpful and friendly place to live. Residents did indeed look out for one another.
