

2016/281

**BRADFORD LOCAL DEVELOPMENT PLAN**

The committee consulted the map for Clayton which identifies potential sites for building. Concerns were raised in terms of infrastructure. The roads are very narrow and traffic/parking is already a problem. Capacity at schools, dentists and doctors. The council were not adverse to some development but would want to keep the nature of the village as it currently is. The on-line consulting method was not user friendly at all and would be very time consuming. Cllr Thirkill to contact Bradford Council to explore other ways of submitting the planning committee's thoughts.

2016/282
